

# CENTRAL PRESBYTERIAN CHURCH stands at the heart of our city...

and serves as the backdrop to many TV shows. As such, Central Church is a major tourist attraction and is an iconic symbol of Cambridge.

You may have noticed that our beautiful church is covered in scaffolding and tarps while we:

- repair the slate tile roof
- remortar the masonry
- reinforce the structure

We invite you  
to invest in our common  
heritage, both current  
and future.
